

Rules for Monthly Stays @ Cedar Cove RV Park

PLEASE READ ALL OF THESE RULES CAREFULLY. IF YOU ARE WARNED/FINED/REMOVED FOR ANY OF THE FOLLOWING IT IS YOUR RESPONSIBILITY TO KNOW THE RULES OF STAYING WITH US PRIOR.

The speed limit in the park is 10 mph. Please respect this limit. The possibility of hitting someone or someone's pet is not worth it. Please make your visitors aware of this rule as well. The entrance road speed limit is 25 and within the park near spaces, 10 mph. Repeated offenses will result in the resident being asked to leave the park without a refund.

- Only one RV, one trailer and 2 vehicles are permitted per site unless approved by park management. If a site can fit less than this the park may request that you store one vehicle or trailer in order to not block neighbors.
- At no time should 2 units be plugged into the electrical source at the site. If it is found that a resident has done this, strict action and a possible hefty fee will be assessed to the account.
- All RV's must be self-contained. This means that your RV is self sustaining - has its own bathroom, has its own holding tank for water, and a working electrical system.
- Quiet hours are from 10 pm to 8 am every day. If management or staff asks you more than twice in one night to be quiet, the police/security will be called to handle the situation. Excessively loud or disturbing noise made at any time is prohibited as well.
- Do not place grills or other flammable objects on picnic tables. Do not sit on picnic tables. A \$100 fine will be assessed to the account if the table is found to be damaged.
- Do not drive, park or walk through another tenant's site. Proper RV etiquette also includes a site that is unoccupied, our staff cleans these sites and driving through them creates more work for us and dirties the site for the next guest.
- Our monthly rates are based on 2 adults and 2 children. Any additional guests are \$6.00 every night they are in the site. More resources are used per site with more guests.

- Please let us know as soon as possible upon your arrival how long you would like to stay in your space. Do not arrive assuming you have the space long term if you do not explicitly make this arrangement with our office. Not making the proper arrangements upon arrival may result in our office having to move your reservation to another space. To avoid this inconvenience, update the office as soon as you know when you will be departing. If you have no set departure date, we will block your reservation for two years to avoid conflicts, or until your requested year.
- A late fee of \$25 will be assessed to the account on the 8th day after the rent and electricity are due. An additional \$10 will be added every week thereafter. Your rent is due every 30 days from the day you arrive. The electric is read on the last day of every month and is due on the 1st of every month.
- By arriving and parking in a space, the resident agrees to leave a valid card on file, even if all future payments are made through cash or check. Otherwise, a \$500 cash security deposit is required that will be returned to you upon your departure.
- We have an auto-pay system available to those who do not want a monthly call for electric or rent. Please come by the office and fill out an auto-pay form if you wish to do this.
- ATVs, side by sides, any kind of motorized recreational vehicles are welcomed in our park on the agreement that they will go the speed limit within the park's boundaries, no tricks or excessive play in the park and will not run their engines past the quiet hour of 10 pm.
